

PNIRS**China** Organizes Shanghai Symposium

Professor Yu-Ping Peng, M.D., Ph.D., organized the second official PNIRS**China** symposium in mainland China. It was held October 26, 2014 at the 24th Congress of the Chinese Association for Physiological Sciences (CAPS) in Shanghai. There were approximately 200 attendees at the symposium. The names of the speakers and the titles of their lectures are given below. Photos taken during the symposium can be accessed at the following website: <https://www.dropbox.com/sh/uxv0j4om4h6f37y/AACujsqfr-gtXqMjMhvbiw2xa?n=10503921>.

A Global Need for Integrating Neuroscience, Immunology and Behavior in Biomedical Research. Keith W. Kelley, Ph.D., University of Illinois, Urbana-Champaign, Illinois USA
